## Vehicle Description

AutoPark Dallas is thrilled to offer you this 2016 Mercedes-Benz AMG GLE 63 S for sale! The AMG GLE 63 S has cemented itself as one of the best mid-size performance SUV offerings to come out of Mercedes in quite some time - which should be no surprise considering the specs of this beast, with **577 horsepower** and **561 lb-ft of torque** on tap out of the **5.5L Twin-Turbo V8 Engine**. Striking the perfect balance between a utilitarian SUV with space for the family or friends, and still packing that potent sports car punch and feel, you simply can't go wrong with the GLE 63 S! This particular example is hard loaded with options to really knock it out of the park compared to others, with the **AMG Performance Exhaust** to free up some sound, **Carbon Fiber Engine Cover**, and **Driver Assistance Package** including Lane Keep Assist and Blind Spot Assist, among many other options. The **Black exterior** over **Black interior** complimented by the **21" AMG Twin 7-Spoke Wheels in Matte Black** really create that sinister appearance to accent the already sporty and aggressive body lines of this AMG! DO! NOT! HESITATE!!! To swing by and check out this GLE 63 S that we have parked here in our indoor 16,000 Sq Ft Showroom located in Dallas, Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!
