Vehicle Description

AutoPark Dallas is thrilled to offer you this 2017 Infiniti Q60 3.0T Premium for sale! The Infiniti Q60 has really become the die-hard staple of the performance luxury enthusiast that doesn't want to go mainstream BMW or Lexus - better yet, they stand apart from the crowd even better when modified! This beautifully well done example comes with a few performance mods, but the appearance department is where it's at here. The **White Pearl Iridescent Wrap** catches the light beautifully to unveil this beautiful pearl finish to the surface that provides depth and tones of various different colors over the otherwise white background. This is of course wonderfully matched with a **Seibon Carbon Hood** and **Carbon Trunk Spoiler**, as well as a **Black Front Splitter** and **Black Modified Exhaust**. It all comes together with the **Lowering Springs** and **TSW Wheels in Black** though! Needless to say, this is one sharp looking Q60. Did we mention it's the 3.0T model?? Meaning it comes with the upgraded **3.0L Twin-Turbo V6** Engine good for 300 horsepower, providing quite a bit more punch than the base model! DO! NOT! HESISTATE!!! To swing by and check out this Q60 3.0T that we have parked here in our indoor 16,000 Sq Ft Showroom located in Dallas, Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!
