Engine:	Mercury 496 Mag HO Twin inboard/outboard 425 HP

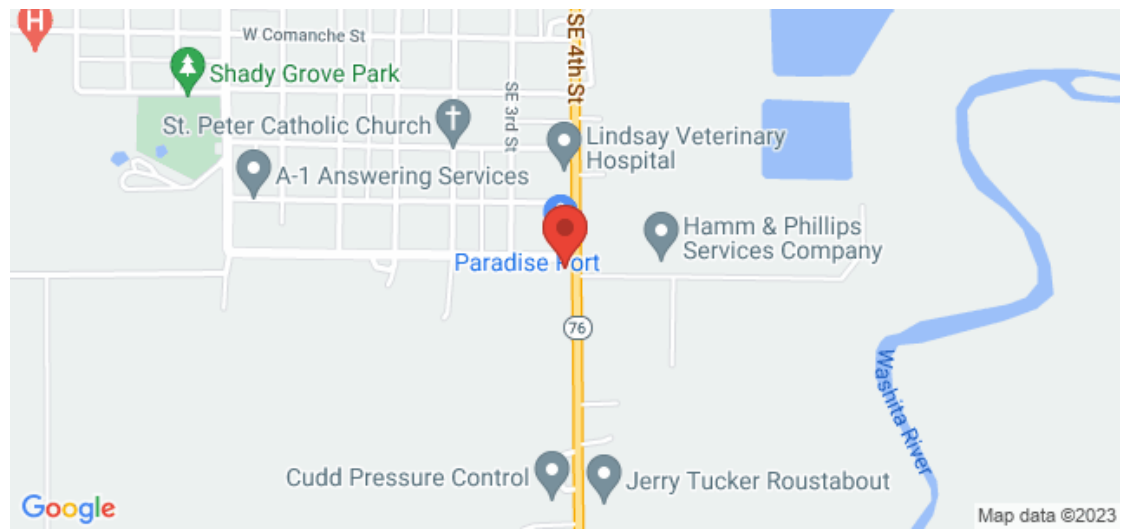

2008 Kachina 34' Drone Mid Cabin Open Bow. Custom triple axle aluminum trailer. Dual 496 Mag HO's. 67 Original engine runtime hours scanned on both computers. Mostly idle time, see pics. Gauges show 80ish and 250ish. We figure one key runs the stereo, so one meter clicks more than the other. No Limit graphics and gel coat, full Livorsi gauge system, depth finder in dash, custom pioneer stereo system with two 10 inch sub woofers and a flip down dvd player in cabin. Docking lights ,shore power, waeco refrigerator, drop out bolsters, 4 batteries with perkos, full billet decor package, electric hatch lift and much much more. If you're not a familiar with these, they are super deep and ride like a Cadillac. There are over 130 pics of this boat. Every angle and close up. Every flaw is shown. This was Kachina's Promo boat, so it has the best of the the best at the time on it. It's not perfect, but it's damn nice. We will also deliver this boat to you!
