Vehicle Description

AutoPark Dallas is thrilled to offer you this 2004 Infiniti G35 for sale! The Infiniti G35 arguably paved the way and solidified the path for Infiniti into the luxury sports car segment, so it's without much surprise that the demand for these vehicles has steadily risen over the years since their production ended in 2013. This particular example is **BONE STOCK** and has only covered just over 51k miles, having been well maintained over the years both physically and mechanically. The beautiful **Ivory Pearl** exterior is perfectly complimented by the **Aero Package** and **Performance Tire & Wheel Package**, while stepping to the interior shows a beautiful **Willow Leather** interior, including a **Power Sunroof** and **Bose Stereo** to complete the whole package! This is truly one G35 that won't last long with its low mileage, clean condition, and desirable options! DO! NOT! HESITATE!!! To swing by and check out this Infiniti G35 that we have parked here in our indoor 16,000 Sq Ft Showroom located in Dallas, Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!
