## Vehicle Description

AutoPark Dallas is thrilled to offer you this 2011 Infiniti G37 Sedan Sport for sale! What's better than an Infiniti G37 Sedan in the color combination of **Black Obsidian** over **Graphite Leather** with a clean history and only just over 50k miles?! One with a **6-Speed Manual Transmission** of course!! This beautifully kept and well maintained G37 Sedan checks all of the boxes and more, having been clearly well cared for by previous ownership. With the manual gearbox, it strikes that beautiful blend between the Infiniti G performance, luxury, and connected driver experience you've been seeking. Even better, prior ownership has already installed a **Stillen Long Tube Intake** on the vehicle to let her breath better and eek out that extra bit of performance. From the factory, she comes with all of the equipment, including the **Bose Sound System**, **Heated Seats**, **Navigation**, **Rearview Camera**, and more - everything you need to enjoy a luxurious Infiniti while still retaining the sport driving manual experience. They don't make them like these anymore!! DO! NOT! HESITATE!!! To swing by and check out this 6-Speed G37 Sedan that we have parked here in our indoor 16,000 Sq Ft Showroom located in Dallas, Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!
