## Vehicle Description

AutoPark Dallas is thrilled to offer you this 2002 Chevrolet Camaro Z/28 for sale! Since almost anyone can remember, the Camaro has stood as a prime example of American Muscle, up there with the offerings from both Ford and Dodge - Chevrolets prime sports car to go toe to toe with the competition! So when Chevrolet announced that 2002 would be the final year of production for the highly revered Camaro line, which at the time meant the end of production for the F-body platform (4th generation), the community was rather distraught that such an automotive icon would never be produced again. Obviously Chevrolet decided to revive the line quite a few years later, but those newer generations have never quite held the same special magic that the F-body generation and prior held. Being the **final year of production**, this 2002 Camaro Z/28 of course holds that special and unique distinction, on top of coming out of the factory as an extremely well equipped example. Beginning with the **6-Speed Manual Transmission** for the true drivers car, and then coupled with the optional **Hurst High Performance Shifter** to really take that experience to the highest degree. Possibly one of our favorite options has to be the **Transparent Removable Roof Panels** though - hands down of the most fantastic features of these models, as driving around with the tops off really brings out the purest character of these icons! Prior ownership took superb care of the vehicle, and it shows throughout both the exterior and interior, as well as the light modifications in the form of the **Full Stainless Headers and Exhaust** as well as **SpoHN Performance Suspension**. Needless to say, this Camaro Z/28 is supremely difficult to replicate on the market, and AutoPark is proud to represent it as the collectible automotive icon that it is! DO! NOT! HESITATE!!! To swing by and check out this Camaro Z/28 that we have parked here in our indoor 16,000 Sq Ft Showroom located in Dallas, Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!

The team here at AutoPark Dallas, is dedicated to offering a level of customer service not usually found in the automobile industry. Thanks to years of extensive car buying / selling experience, we pursue quality used and new vehicles that are hand-picked from factory sources. Our love for automobiles and dislike of traditional dealership tactics is what motivates us to provide the service we do! The pride we take in continuing this service long after the vehicle has been delivered is what we strive for! Looking forward to making every effort to see that our customer is completely satisfied and a friend for life!

Pre-purchase inspections are always welcomed!

We also offer airport pick-up, competitive financing options, free CARFAX Reports, Car Shipping nationwide, Extended Warranty plans, and so much more!
