This is the Ultimate Rock Crawler or Mud Monster. It all begins with a refinished chassis, power coated black to protect against the elements, then loaded up with Posi-traction diffs with 4.56 gears front and rear.

A Small Block Ford Motor gets an update with an MSD ignition and a 4-speed AOD transmission, and we've put massive 40-inch Nitto Mud Grapplers on eye-catching 22-inch FUEL Hostage rims. A custom 6-inch suspension lift featuring Pro Comp components gets those wheels to fit under the fenders - at least, mostly. Giving you protection necessary to prevent battle scars in the field is a stainless steel undercarriage, stainless steel nerf bars, and more stainless on the push bar bumper.

Inside the custom-painted tub with custom airbrushing, this YJ comes to life. The custom fiberglass interior features custom double-stitched seats and dash pad in durable black vinyl, Rockford Fosgate head unit, Autometer gauges, and awesome speakers integrated throughout.

With this 1989 YJ, you'll be the King of the Hill, guaranteed. You'll only find it European Motorsports!
