# **Vehicle Description**

AutoPark Dallas is thrilled to offer you this 2016 Porsche Macan S for sale! The Porsche Macan S has held quite a unique place in the Porsche lineup since it was originally introduced - bridging the gap between the rather larger Cayenne model, and the smaller sports cars that Porsche offers, the Macan beautifully blends primarily a utilitarian driving experience with an element of sports performance that any other luxury performance brand has had difficulty to compete with. It's small enough to handle nimbly for an SUV, yet large enough to be comfortable for all of your passengers and get the grocery shopping done with ease. This particular Macan S comes very well equipped with options, beginning with the Premium Package Plus which affords everything from Heated/Cooled Seats to Porsche Entry & Drive for ease of access and starting of the car without ever touching the key fob. Heated Rear Seats also make an appearance, and the Panoramic Moonroof really opens up the cabin to create that spacious interior feeling, no matter where you're sitting in the vehicle. Technology is abound in this Macan, with Lane Change Assist on hand for safety, as well as ParkAssist w/ Reversing Camera and Infotainment Package, complete with navigation, bluetooth phone and audio streaming, and so much more. From the exterior appearance, the Carrara White Metallic exterior contrasts beautifully against the Two-Tone Black/Garnet Red Leather interior to really pop and complete the sports luxury experience. If you've been searching for your next luxury sports SUV, you've found the one, so come check out this beautiful example here at AutoPark Dallas! DO! NOT! HESISTATE!!! To swing by and check out this Macan S that we have parked here in our indoor 16,000 Sq Ft Showroom located in Dallas, Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!
