Vehicle Description

If you're in the market for a reliable and stylish sedan, look no further than the 2018 Hyundai Elantra SEL. With just over 50,000 miles on the odometer, this car is just getting started on its journey with you.

The silver exterior of the Elantra SEL is sleek and modern, with clean lines and a bold front grille that commands attention on the road. But it's not just about looks - this car also boasts impressive fuel efficiency, with an EPA-estimated 37 MPG on the highway. You'll be able to go further and spend less at the pump, without sacrificing style or performance.

Step inside the Elantra SEL and you'll find a comfortable and spacious interior, with gray cloth seats that are both supportive and easy to clean. The cabin is quiet and well-insulated, making for a peaceful ride even on rough roads. And with features like a 7-inch touchscreen display, Bluetooth connectivity, and a rearview camera, you'll have all the technology you need to stay connected and entertained on the go.

Under the hood, the Elantra SEL is powered by a 2.0L DOHC 16V 4-Cylinder D-CVVT MPI engine that delivers smooth and responsive performance. Whether you're cruising down the highway or navigating city streets, this car handles with confidence and precision. And with a 6-speed automatic transmission, you'll enjoy seamless shifting and effortless acceleration.

But the Elantra SEL isn't just about practicality - it's also a joy to drive. With a sporty suspension and nimble handling, this car is fun and engaging on winding roads. And with features like a leather-wrapped steering wheel and shift knob, you'll feel like you're behind the wheel of a much more expensive vehicle.

Safety is always a top priority, and the Elantra SEL delivers with a suite of advanced features that help keep you and your passengers protected. These include blind spot detection with rear cross-traffic alert, lane departure warning with lane keep assist, and forward collision warning with automatic emergency braking. With these technologies on your side, you can drive with confidence and peace of mind.

In short, the 2018 Hyundai Elantra SEL is a fantastic choice for anyone in the market for a reliable, stylish, and fun-to-drive sedan. With its impressive fuel efficiency, spacious and comfortable interior, and advanced safety features, this car has everything you need to hit the road with confidence. So why wait? Come test drive the Elantra SEL today and see for yourself why it's one of the best cars on the market.
