This vehicle won't be on the lot long! A great car and a great value! A turbocharger is also included as an economical means of increasing performance. Subaru prioritized comfort and style by including: a leather steering wheel, front fog lights, and power windows. Subaru made sure to keep road-handling and sportiness at the top of it's priority list. Smooth gearshifts are achieved thanks to the 2.4 liter 4 cylinder engine, and for added security, dynamic Stability Control supplements the drivetrain. You will have a pleasant shopping experience that is fun, informative, and never high pressured. Please don't hesitate to give us a call.
