Vehicle Description

AutoPark Dallas is thrilled to offer you this **2008 Mitsubishi Lancer Evolution GSR** for sale! This car really needs no introduction - since Mitsubishi discontinued the Lancer Evo lineup in 2015, the desire and collectability of these vehicles has only continued to surge as the years pass. This 2008 model is of course the first year of production for the final generation, and comes well equipped from the factory, in nearly bone stock form, with simply an **Injen Cold Air Intake** as aftermarket add-on, producing quite a bit more of induction noise to make for a thrilling drive. From the factory, the **Aero Kit** has been equipped, and is probably hands down the most desirable option of the vehicle, with the front and side air dams and larger spoiler to really add to the performance and appearance. The **Sight, Sound & Spoiler Package** also come equipped providing everything from **HID Headlights** to the upgraded **Rockford Fosgate Sound System**, while the **Interior Sport Package** provide an upgraded shifter and handbrake. Speaking of shifter, yes this does indeed have the truest sport driving experience with the **5-Speed Manual Transmission** - a must have for any true enthusiast! This Evo is ready to provide the experience you've been seeking, so come check it out today before it disappears. DO! NOT! HESITATE!!! To swing by and check out this **Evo X** that we have parked here in our indoor 16,000 Sq Ft Showroom located in Dallas, Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!
