Vehicle Description

AutoPark Dallas is thrilled to offer you this 2002 Dodge Viper GTS for sale! This is a car that really does not need much of an introduction - nevertheless, we'll bore you with some car nerd details anyways! The Viper GTS began as an upgrade to the 'standard' RT/10, and was a smash hit that then continued throughout the generations of Vipers to come, with the winning recipe being a more hardcore and unapologetic take on the already raw sports car. This 2002 Viper GTS is the second generation of GTS models to be produced, and is arguably one of the best generations in our opinion. This was the first generation to feature the "double-bubble" roofline that became such an iconic and signature design aspect of the GTS model line for this generation and others to come. The 8.0L V10 Engine is something to behold, and the 6-Speed Manual Transmission is right at home for every Viper enthusiast. There were few options for the Viper GTS, but this example came equipped with the Comfort Group which included an Alpine Stereo and A/C, as well as the optional Painted Stripes in White, which perfectly compliment the Viper Red exterior and Black Leather interior. Hands down though, our absolute favorite aspect of this example has to be the LOW 28K MILEAGE on the odometer and the fact that this example is BONE STOCK - not a single modification on the vehicle, and with such low mileage, one of the purest examples on the market currently in as close to new condition as possible. We seriously can't get enough of these Viper GTS models which is why we've had so many for sale in recent history, and this one has to be the best of the bunch thus far! DO! NOT! HESITATE!!! To swing by and check out this Viper GTS that we have parked here in our indoor 16,000 Sq Ft Showroom located in Dallas, Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!

Referrals and Testimonials is what our business is built on!

The team here at AutoPark Dallas, is dedicated to offering a level of customer service not usually found in the automobile industry. Thanks to years of extensive car buying / selling experience, we pursue quality used and new vehicles that are hand-picked from factory sources. Our love for automobiles and dislike of traditional dealership tactics is what motivates us to provide the service we do! The pride we take in continuing this service long after the vehicle has been delivered is what we strive for! Looking forward to making every effort to see that our customer is completely satisfied and a friend for life!

Pre-purchase inspections are always welcomed!

We also offer airport pick-up, competitive financing options, free CARFAX Reports, Car Shipping nationwide, Extended Warranty plans, and so much more!
