Description from the owner:

*"This 2002 Mercedes E320 sedan has remained with the same family since new. The car is finished in metallic Desert Silver over java leather and it is powered by a 3.2-liter V6 with a five-speed automatic transmission and 4-Matic all-wheel drive system. Always garaged and in super clean condition, the equipment includes a glass sunroof, dual-zone automatic climate control, heated front seats, a rear retractable sunshade, and a factory stereo with weather band and cassette tape. Work in preparation for sale included a Service B, new rear main seal, new oil level sending unit, rebuilt digital instrument display, new windshield wiper, engine oil, transmission fluid and rear end fluid changes. In addition the valve cover gaskets were changed and cooling system was flushed and renewed. Climate control system was serviced and a new Mercedes heater fan motor installed. This W210 sedan has just 38k miles and is offered with manufacturer's literature, service invoices, a clean Carfax report, and a clean California title.*

*The cabin features power-adjustable and heated front seats trimmed in java leather along a color-coordinated dashboard, steering wheel, carpeting, and door panel inserts.
