Vehicle Description

Introducing the 2019 Volkswagen e-Golf SEL Premium, the perfect electric vehicle for those who want to make a statement while reducing their carbon footprint. With only 43,208 miles on the odometer, this stunning white hatchback is in excellent condition and ready for its next adventure.

The e-Golf SEL Premium is powered by a 100KW 134HP ZEV Electric engine, which is equipped with a 35.8 kWh lithium-ion battery. This means that you can enjoy an impressive driving range of up to 125 miles on a single charge, making it perfect for both city and highway driving. And, with the e-Golf's quick charging capabilities, you can get back on the road in no time.

Step inside the e-Golf SEL Premium and experience the comfort and luxury of the black leather interior. The V-Tex leatherette seating surfaces provide a premium feel, while the heated front seats ensure that you stay warm and cozy on even the coldest of days. And, with the e-Golf's spacious interior, you can comfortably fit up to five passengers and all their belongings.

The e-Golf SEL Premium also comes with a variety of features designed to make your driving experience more enjoyable. The automatic transmission ensures that you have a smooth and effortless ride, while the PURE WHITE exterior and TITAN BLACK interior add a touch of sophistication and elegance to the vehicle.

And, with Volkswagen's warranty details, you can rest assured that you are covered in the unlikely event that something goes wrong. Click on the warranty tab for more information.

Overall, the 2019 Volkswagen e-Golf SEL Premium is a fantastic electric vehicle that offers both style and substance. With its impressive driving range, comfortable interior, and luxurious features, it's the perfect choice for anyone who wants to make a statement while reducing their carbon footprint. So why wait? Come test drive the e-Golf SEL Premium today and experience the future of driving!
