## Vehicle Description

AutoPark Dallas is thrilled to offer you this 2023 Chevrolet Corvette 2LT Z51 for sale! Very few sports cars in recent history have been met with such high anticipation as the C8 Generation Corvette - breaking the mold of all previous generations and moving to a mid-rear mounted **Naturally Aspirated 6.2L V8 Engine (LT2)** has placed the Corvette firmly in the territory of the highest end sports cars and knocking on the door of supercar territory. Of course, not all of the C8 Corvettes are created equal, as options become all important on these vehicles - this example comes equipped with the most desirable of options, starting with the **Z51 Performance Package** including the **Performance Rear Axle, Z51 Performance Suspension, Z51 Performance Brakes**, and **Performance Exhaust**!! Let's not forget about the best interior option available with the **GT2 Bucket Seats**, providing the raciest seat Corvette has offered to date with an actual Carbon Bucket! The C8 Generation now also has the ability to equip a **Front Lift** for additional clearance, which is of course also equipped on this killer build - which is great because an aftermarket **C7 Carbon Race Edition Front Splitter** has also been added, to provide a much more aggressive front lip, reminiscent of the C7 generation Z07 front splitter! With a killer build like this in one of the most desirable color combinations of Torch Red Exterior over an Adrenaline Red and Black Two-Tone Interior, this is one C8 Corvette that you can't miss - come see what the hype is about before it's too late! DO! NOT! HESITATE!!! To swing by and check out this C8 Corvette Z51 that we have parked here in our indoor 16,000 Sq Ft Showroom located in Dallas, Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!
