Vehicle Description

AutoPark Dallas is thrilled to offer you this 2005 Pontiac GTO for sale! When Pontiac revived the GTO moniker to begin production for the 2004 model year, it was received with mixed criticism - reviving the GTO name would be a tall task - but Pontiac showed that they could pull it off and produce another future classic muscle car that tailored to the gearheads and power junkies of the world! Unfortunately production only lasted three years, with the end coming in 2006, making these vehicles quite a rare specimen. With a **6.0L V8 Engine producing 400 horsepower and 400 lb-ft of torque**, the car was no slouch, achieving a 0-60mph time of roughly 5 seconds!! The **4-Speed Automatic Transmission** comes equipped in this model, providing seamless and butter smooth shifting while also producing better performance under full acceleration. The **Impulse Blue Metallic** exterior has to be one of our favorites offered for the years of production, as its such a vibrant and perfect color for the revived GTO nameplate. The best part of this example being offered? Obviously the low **ONLY 23K MILES** on the odometer - this Pontiac GTO is in superb condition and ready for its next true automotive enthusiast to drive and enjoy! DO! NOT! HESITATE!!! To swing by and check out this Pontiac GTO that we have parked here in our indoor 16,000 Sq Ft Showroom located in Dallas, Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!
