Vehicle Description

AutoPark Dallas is thrilled to offer you this 2009Porsche 911 Carrera for sale! Few regular production road cars evoke such a passion for motorsport as Porsche - it's built into their DNA and is undeniable in every one of their vehicles produced. The 997.2 generation of the Porsche 911 was a hallmark of the modern 911, boasting a **Naturally Aspirated 3.6L H6 Engine**, and introducing for the first time ever the **PDK Transmission** to the world, a marvel of motorsport blending the best of lightning fast shifts and the drivability/ease of a true automatic! This particular 911 Carrera is in superb condition having traveled just over **only 43k miles** and meticulously maintained with **Partial Service Records** on hand. The available options of these modern 911s are endless, and thankfully this 997.2 checks all of the desirable boxes, coming equipped from the factory with **Sport Chrono Package Plus** as well as **Porsche Active Suspension Management (PASM)** for a dual mode suspension setting, and the **Limited Slip Rear Differential** to create three of the most desirable sport options of these models. From the creature comfort and luxury side, the **Bose High End Sound Package** provides a punchy and more than capable sound system, while the **Power Seats, Bluetooth**, and **Navigation** tailor to anything you and your occupants may desire in your travels. Needless to say this is one 997.2 Carrera that is hard to beat - great options, low mileage, clean condition with **CLEAN CARFAX**, and a great appearance with the **Carrara White** exterior perfectly contrasted by the **19" Carrera Classic Wheels** finished in Black. Don't miss out on this gem of a 911, and call now before it's too late. DO! NOT! HESISTATE!!! To swing by and check out this 997.2 911 Carrera that we have parked here in our indoor 16,000 Sq Ft Showroom located in Dallas, Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!
