Overall, the 2014 Porsche Panamera GTS is a luxurious and powerful car that is sure to impress. With its low mileage, excellent condition, and impressive features, this Porsche is the perfect choice for anyone who wants to experience the ultimate driving experience!

This is a local, perfect Carfax, non-smokers Panamera GTS, that runs and drives perfect, and looks even better! This beautiful Panamera GTS is in flawless condition, inside and out, i cannot over describe how brand new it truly is, seriously it is that new! If you will look at the Carfax i have provided, it will show it has a great service and maintenance history, so it should have lots of life left in it, this would be considered really low miles for the year model, less than 7k miles per year, it has good set of Michelin tires, so it is completely ready to go!

To be able to find one of these great Panamera GTS's, with a perfect Carfax, this great history, Michelin tires, this nice, this clean, at this great price, is a deal, and keep in mind, this is an "out the door" offer, nothing extra, no doc or dealer fees, nothing!
