This beautiful fat tire electric bicycle is perfect for trails, commutes or a Sunday ride on the beach. Excellent front and rear suspension provides maximum comfort on all your rides. Excellent front suspension with 100mm of travel compression adjustment. Upgraded air rear suspension so you can take on any trail with maximum comfort and control. Removable lithium-ion battery for easy charging. Leave the bike and take the removable battery with you for charging anytime. Large LCD display so you know the bike's battery life, speed, distance and more. A 7 speed freewheel means you can shift to a larger cog for uphill riding and downshift to a smaller cog for high speed riding. Easily adjustable telescoping seatpost for a comfortable ride no matter your height.
