Vehicle Description

AutoPark Dallas is thrilled to offer you this 2013 Maserati GranTurismo Sport for sale! The Maserati GranTurismo has captivated countless Italian sports car enthusiasts since it was first introduced, and as the years have gone by the brand has constantly tweaked the model with improvements. The GranTurismo Sport is that result of years of tweaking to create one of the best and affordable Italian sports cars on the road - **4.7L Naturally Aspirated V8 Engine** routed directly to the rear wheels, and one of the best OEM active sport exhaust systems on the market from any manufacturer (seriously, this thing sounds amazing in Sport mode, pops cracks and burbles). This particular GranTurismo has an appearance to match that exotic sound, with a **Matte Grey Full Vehicle Wrap**, perfectly contrasted against a **JC Sportline Carbon Fiber Hood** and **20" Neptune Design Wheels in Black**. Step on the inside and this GranTurismo is heavily optioned from the factory with the **Interior Full Carbon Package** and the **MC Sportline Steering Wheel in Carbon Fiber**, beautifully matched to the **MC Design Aluminum Racing Pedals** and **Red Contrast Stitching** throughout. If you've been searching for that next exotic that is guaranteed to turn heads and give that Italian thrill you've been searching for, your search has ended! DO! NOT! HESITATE!!! To swing by and check out this GranTurismo Sport that we have parked here in our indoor 16,000 Sq Ft Showroom located in Dallas, Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!
