We are proud to offer you this 2018 Ford Mustang EcoBoost Bagged with Many Upgrades for sale!

This 2018 Ford Mustang EcoBoost Premium is a modified machine that blends style and performance. Under the hood, a turbocharged 2.3-liter inline four-cylinder engine produces 360 horsepower and 310 lb-ft of torque, all of which is sent through a ten-speed automatic transmission to the rear wheels. The engine is not stock, however, having received Cobb cold-air intake, a CVF aluminum intercooler charge pipe kit, an aftermarket downpipe, and a UPR air-oil separator, among other modifications. This sleek Ford comes equipped with 19" ESR multi-piece wheels and is finished in Oxford White, a color that contrasts perfectly with the carbon fiber additions to the vehicle. Several cosmetic mods adorn the exterior of this machine, including a carbon fiber ducktail spoiler, a quasi-carbon fiber-wrapped fuel filler cap, Euro-style taillights, a GT500-style front bumper, and a quasi-carbon fiber-wrapped hood, making it even more unique. In the interior, this Mustang offers heated and ventilated leather bucket seats, push-to-start, multi-zone A/C, carbon fiber interior trim pieces, an Airlift Performance Suspension Controller, selectable drive modes, and an infotainment system with Bluetooth, apps, climate controls, phone connectivity, a backup camera, truly making this car the complete package.
