Vehicle Description

AutoPark Dallas is thrilled to offer you this RARE 2004 Chevrolet SSR LS for sale! Introduced in the early 2000's as a concept that everyone cheered for but nobody actually expected Chevrolet to build, but came to many surprises when next thing we knew a Retro convertible pick-up truck was in production! As you can see here, we at APD have one of the more stealthier of the available colors: Smokin' Asphalt! A truly classic color combo and obviously being an SSR the retro look is hard to miss also, but if color and style doesn't fancy you then hopefully the ability to drop the top ON A TRUCK to enjoy those beautiful cruising days does! DO! NOT! HESISTATE!!! To swing by and check out this retro Chevrolet Convertible Pickup Truck as the SSR is parked in our indoor 16,000 Sq Ft Showroom located in Dallas , Texas amongst our inventory of 100+ other Performance / Modified and Luxury cars!
