We here at #1 Auto Sales strive to make this your most enjoyable automotive purchasing experience with our hand selected inventory consisting of the highest quality, clean title vehicles! The overwhelming majority of our inventory has a vehicle warranty with additional coverages available to customize to your liking. For those who prefer a more personal touch and wish to avoid dealing with banks or third party lenders and their generic approvals, we offer our own custom-tailored "Buy Here-Pay Here" program that is structured around the needs and desires of each individual customer!

As always, comfort and satisfaction with your purchase is our primary focus. We welcome and encourage any inspection of our vehicles prior to purchase and are more than happy to have the vehicle delivered to the local service center of your choice. With our extensive photo library and videos we strive to make our listings the closest alternative to you experiencing the vehicle in person. We are more than happy to provide custom photos and videos as well as conduct live video chats for a personalized walk around or test drive! As these are used vehicles and we do not claim to be refinishing specialists, we ask that any questions about if there has been prior paintwork be directed towards your third-party inspector.

If there is ever anything we can do to enhance your experience please feel free to contact any of our sales representatives, available six days a week, at [954-964-8669](tel:954-964-8669) or visit us at www.no1autosales.com to schedule an appointment today! Please note that all options and trim packages are decoded by a third-party provider based on the VIN. We ask that you verify the availability and functionality prior to purchase.
