Vehicle Description

AutoPark Dallas is thrilled to offer you this 2004 Honda S2000 for sale! Here at APD, we're certainly no stranger to the S2000 as we've had countless examples in the past and every time we bring one in, we find it difficult to part ways - there's nothing on the road quite like the driving experience of an S2000, particularly the AP2 generation! This absolutely stunning example is in one of our favorite factory shades offered, **Rio Yellow Pearl**, which absolutely pops in the sunlight. With only **39K ORIGINAL MILES** on the odometer and having only had two previous owners both residing in CA, this is certainly one special example, bone stock with the exception of an **Alpine Radio Deck**, and an extremely unique and period correct exhaust to the platform - an **HKS Special Edition Carbon Titanium Hi-Power Exhaust**, perfectly complimenting the vehicle, and a product that you wouldn't expect to see installed here stateside, but instead straight out of Japan! Of course, the **2.2L Naturally Aspirated VTEC Inline-4 Engine** is paired to a superb **6-Speed Manual Transmission**, and the factory **Wing Spoiler** option is present as well. Come find out why we can't get enough of these S2000 models, and see what all the hype is about today! **DO! NOT! HESITATE!!!** To swing by and check out this beautiful low mileage Honda S2000 that we have parked here in our indoor 16,000 Sq Ft Showroom located in Dallas, Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!
