Vehicle Description

AutoPark Dallas is thrilled to offer you this ProCharged Le Mans Sunset Metallic 2003 Nissan 350Z Touring for sale! We stopped for a second and thought of a checklist for the ideal sports car: two seats, lightweight body, rear-wheel drive, big wheels and tires, and curves for days. Everything fits perfectly with what we, AutoPark Dallas, claim is our bread-n-butter and proudly sell: the Nissan Z. Our 350Z goes back to its heydays with a hunkered down cockpit, knife-edged looks, and under the hood is a ProCharger Kit that pushes corners like nothing with horsepower way beyond its original 287! If you love the Z or just want a fun eye-catching Japanese sports car, come check out our Nissan 350Z sitting in our indoor 16,000 Sq Ft Showroom located in Dallas , Texas amongst our inventory of 100+ other unique and luxury vehicles!
