Vehicle Description

Only 18k miles! Excellent color combination of midnight blue metallic exterior with dark grey natural leather interior. Incredible turbocharged 3.6L engine with a 6 speed manual transmission. All wheel drive. The original owner special ordered this car from Pacific Porsche in Torrance, Ca. The current owner purchased it in 2011 with 5,500 miles on it. He drove it for a short time and decided to make some upgrades. He had Shark Werks in Fremont, Ca install an EVOMS EVT700 kit which upgraded the turbos, intercoolers, programming, etc. that pushed the horsepower to about 700. To handle the extra power he also had them install an EVO GT2 clutch conversion kit with those two upgrades alone costing approx. \$24k. Custom Champion Motorsport wheels also installed. 3M ppf paint protection on the front. It has had no accidents. Interior still smells new. Clean California title in-hand. Maintenance history back to 2008. A refined rocket ship!
