1974 Ford Ranchero

Frame up restored 1974 Ford Ranchero in excellent mechanical and cosmetic condition. Little to no expense spared on this restoration, with great attention to detail. No cancerous rust to be found, as this is a garage kept Texas car. The fit and finish are really impressive, and they did an amazing job on the paintwork of this car. She runs and drives just like you would expect, and sure turns heads. This vehicle is located in Celina Texas, and buyer will take delivery in Addison. Shipping can be arranged at buyers expense. I will take trades, but please no projects. Text a few pics of what you have and what you think it's worth to me at 214-732-7859
