Vehicle Description

AutoPark Dallas is thrilled to offer you this 2017 Ford Focus RS for sale! The Focus RS has caused quite a stir in the American hot hatchback market since its introduction, and for good reason - an extremely capable AWD system from a brand capable of producing World Rally wins, superb sport styling, and a true **6-Speed Manual Transmission**. What is there not to love?! Especially when prior ownership has added a number of very desirable upgrades to the platform to increase that phenomenal sport drive and experience. With an **AWE Exhaust** and **Ford Performance High Flow Intake**, this is one RS that means business - also evidenced by the **Mishimoto Front Mount Intercooler** and upgraded brake rotors. Let's also not forget the **Cobb Accessport with Stage 1 Tune** already installed to ensure the best reliability and power from these performance additions! With a **Shadow Black exterior** and **Charcoal Black interior**, this RS is in superb condition both inside and out, and has clearly been well cared for with a new clutch having been installed at 72k miles - enthusiast owned and cared for responsibly! This is your opportunity to pickup the killer RS you've been looking for, so don't miss out! DO! NOT! HESITATE!!!
