Vehicle Description

Please call for vehicle availability and viewing hours as not all consignment vehicles are on-site.

The current owner has owned this car since 1992. Only 62k miles. Factory black exterior with black leather interior. 3.2L 6 cyl engine with 5 speed manual transmission. Working moonroof. Alpine stereo. Working power windows. A/C is currently not working.

This Porsche has had minimal use since purchased in 1992. The car was taken out of storage in November of 2022 and was taken to Lafayette German Car Repair to be made road worthy. The car was gone through and repaired to the tune of approx. \$15k (see receipts in photos). The car received new tires, battery, fuel pump/filter and fuel regulator, oil service, shocks and struts, brake fluid service, spark plugs, valve adjustment, distributor cap and rotor, ignition relay, valve cover gaskets, hood and trunk struts, etc. The car now runs and drives excellent. Clean California title in-hand.
