Powered by a TurboCharged 2.0 Liter 4 Cylinder that offers 250hp tethered to an 8 Speed Automatic transmission with Adaptive Shift technology. That gives our Front Wheel Drive SUV impressive acceleration and confident towing power with the ability to see near 30mpg on the highway. Admire the stunning modern design of our XC90 with its LED lighting, Thor's Hammer daytime running lamps, a panoramic sunroof, 18-inch alloy wheels, and a hands-free tailgate for high-end convenience.

Showing off exceptional craftsmanship and beautiful materials, the spacious cabin of the T5 Momentum is inviting with sculpted leatherette power front seats, a leather-wrapped steering wheel, four-zone climate control, and brushed-aluminum inlays. Staying in control is simple as well with technology such as an 8-inch driver display, a 9-inch touchscreen, WiFi compatibility, Android Auto/Apple CarPlay, Bluetooth, and a 10-speaker audio system for a superior listening experience.
