Are you ready to take your driving experience to the next level? Look no further than this stunning 2004

Ford F-350 Super Duty Dually 4 x 4 Crew Cab Lariat!
With only 77,787 miles on the odometer, this powerhouse is just getting started. Equipped with a mighty Power Stroke 6.0L Diesel Turbo V8 engine, producing a jaw-dropping 325 horsepower and an impressive 560 foot-pounds of torque, this truck is built to conquer any challenge that comes its way.

Best trucks start with original owners who took care of them since Day One and that is the case with this non-smoking local Californian. Never performance chipped or raced around, just mainly towed their trailer twice a year and made a few home depot runs here and there.

It's loaded with all available options including adjustable pedals, dual power heated seats, and parking sensors. But can it tow? Yes, coming with Pro Ride 7 dual custom exhaust, Rancho 5000 shocks, Torklift upper stable loads, Firestone Ride Rite adjustable airbags, knobby Michelin Tires, and Energy Suspension polyurethane bushings.

This 2004 Ford F-350 Super Duty Lariat has been meticulously maintained and is in excellent condition. An absolute beauty :o) With its low mileage and exceptional performance, it's ready to hit the road and become your trusted companion for years to come. Don't miss out on the opportunity to own this remarkable truck, it won't last long.
