\* First year of drive-by-wire + first year of traction control - some say it's the most desirable AP2 after the CR - widely discussed topic on the forums

\* Brand-new clutch just installed

\* Bone stock - apart from radio head-unit

\* 2 keys

\* Clean title

\* Lots of service records per Carfax report

\* Please note, some MINOR rear bumper damage was reported to Carfax earlier this year - resulting in rear bumper cover replacement / repair - all VIN stickers are still intact apart from the rear bumper sticker (9 out of 10 stickers)

\* Carfax certified

\* Please note, a few minor tears (repaired) shown on the convertible top - priced accordingly

\* Tires are still legal for us to sell with, but if it was my sports car I would recommend replacing with something stiffer, but tires are like sneakers - everyone has their own preferred tire - priced accordingly so you can pick your own shoes!
