Vehicle Description

AutoPark Dallas is thrilled to offer you this INSANELY LOW MILEAGE Bright Rally Red 2002 Chevrolet Camaro Z28 for sale! The Fourth Generation Camaro left in style for its last year, just before Chevrolet went back to the chopping block until 2010 when the introduction of the Fifth Generation finally came about. Our 2002 Camaro Z28 here at APD is a beautiful example of early 2000's vintage American performance with a sloping nose, classic oval headlamps, dart-like profile, and actual factory functional fresh-air hood scoop defining this aging muscle car's menacing look! At the end of the day, this Camaro is a time-less piece of American Muscle Car history that will fit beautifully in a car collection or simply just bring a smile on your face when you see it parked in your garage! DO! NOT! HESITATE!!! To swing on by and check out this Chevy parked in our indoor 16,000 Sq Ft Showroom located in Dallas , Texas amongst our inventory of 100+ other Performance / Modified and Luxury Vehicles!

Referrals and Testimonials is what our business is built on!

The team here at AutoPark Dallas, is dedicated to offering a level of customer service not usually found in the automobile industry. Thanks to years of extensive car buying / selling experience, we pursue quality used and new vehicles that are hand-picked from factory sources. Our love for automobiles and dislike of traditional dealership tactics is what motivates us to provide the service we do! The pride we take in continuing this service long after the vehicle has been delivered is what we strive for! Looking forward to making every effort to see that our customer is completely satisfied and a friend for life!

Pre-purchase inspections are always welcomed!

We also offer airport pick-up, competitive financing options, free CarFax Reports, Car Shipping nationwide, Extended Warranty plans, and so much more!

Trade-In(s) are always accepted or sell us your used car (MODIFIED OR NOT)! Please call or text for more information about Trade-Ins or selling your car to us!
