1970 Lafrance Pumper Fire Truck

In around 2015 this 1970 Lafrance was sent to Kenco to have a full cab conversion and upfit. There is no telling what kind of cost this conversion would run these days, but it would be a massive expense. This vintage apparatus could still serve the front line today.

Every young boy dreams of driving a fire truck, and now is your chance to add one to your collection. This amazing restoration, is really breathtaking in person.
