You can always lean on Chevrolet to provide us consumers with reliable truck that easily fulfills the needs of hauling any projects. Our 2019 Chevrolet here at APD is a Third-Generation Silverado, which stood out on the facts that it was quieter, smoother, and more power-efficient than previous generations. Even better is this Silverado is equipped with the 5.3L V8 instead of the 4.3L V6, so those horses can reach 355hp with 383 lb-ft of torque! Plenty of power to haul the boat to the lake, a camper through the mountains, or that next project for the backyard! DO! NOT! HESITATE!!!
