Vehicle Description

Becketts Black 2020 Hyundai Palisade SEL FWD 8-Speed Automatic with SHIFTRONIC V6

Recent Arrival! 19/26 City/Highway MPG

Do you remember your Mac-owning friends proclaiming their computers "just worked"? That's kind of what it's like to drive the 2020 Palisade. Take the 3.8-liter V6. It delivers competitive, if not stellar, thrust, but it operates with commendable refinement. Predictable responses from the accelerator blend with smooth and timely shifts from the 8-speed automatic transmission to inspire confidence.

A similar feel is expressed through the suspension, which mellows road harshness without sapping the Palisade's cornering competence. No one buys an 8-passenger SUV for spirited blasts over winding mountain passes but weary parents facing sweeping onramps will enjoy reassuring stability and a direct feedback through the steering wheel.
