* If you are looking at this ad you probably already know that the best 3 years of L322 body is 07-09 especially the 4.2L Supercharged V8 variant - these are known to be the most "reliable" out of them all - way better engine than the newer 5.0L V8 with all their timing chain problems and cooling issues

* If you are looking for financing, you should probably look at a different car - these older cars are hard to finance due to low KBB values, and we normally sell them for cash to people who can afford them - this is not the car you buy on a tight budget!

* If you are looking for financing please contact us prior - otherwise all financing appointments will be canceled

* Just undergone a major service: new spark plugs, new oil, fresh transmission fluid and filter, both differentials serviced, fresh breaks, new tires, recent alignment, recent front Arnott air shocks, new cabin filter, new air filter, and a few more service items

* Headliner has been done already (most common issues on these L322 Range Rovers)

* LUX pkg

* Upgraded back up camera (must have upgrade on these cars)

* Heated / cooled seats

* Xenon headlights

* Factory power retractable running boards (very rare option)

* Factory power retractable running boards (very rare option)

* Parking sensors

* Back up camera

* 3 zone climate control

* Clean title

* Carfax certified

* California car

* Lots of service records per Carfax report

* Please note some MINOR rear bumper damage was reported to Carfax - third party inspections are welcome

* Front clear bra protection film has been installed by previous owner

* 2 keys

* OEM rubber trunk liner

* Brand-new set of Falken Wild Peak A/T tires (one of the best all terrain tires money can buy)

* Please note, mileage may go up since we regularly drive this car
