Vehicle Description

HCC is thrilled to present this fully documented, incredibly low-mileage 2005 BMW E46 M3. Showing just over 25k miles, this M3 shows factory-fresh both inside and out while also having had both the rod bearings and VANOS addressed. The included service records show regular, meticulous servicing by both BMW dealers and specialty BMW shops. Finished in Silver Gray Metallic over Black Leather, this M3 was optioned from the factory with the Cold Weather Package, Premium Package, Xenon Headlights, Harmon-Kardon Sound, and Adjustable Lumbar/Width seating. As would be expected of a collector-grade M3, the car retains it's original window sticker, manuals, keys, and tool kit.

This perfectly preserved M3 is equally ready to drive cross-country as it is be a cornerstone of a BMW collector's garage. It is offered fully-serviced with a clean Carfax and a clean Texas title.
