Vehicle Description

This 1965 Mustang Fastback wears a 10 year old paint job in Wimbledon White that still shows well. Under the hood lies a brand new 347 Stroker engine with less than 300 miles on it. A new Tremec 5 speed manual transmission seamlessly shifts through the gears and launches you through the twisties. Vintage Air air conditioning blows cold. Custom Autosound stereo with custom kick panel speakers. 4 wheel power Wilwood disc brakes and a full new custom suspension by Mike Maier allow you to handle the road and stop on dime. Great looking retro style 17" Scott Drake wheels. This Mustang is stunning and ready for the car shows or a weekend drive while tearing up the asphalt!! Less than 300 miles on the engine, transmission, suspension, brakes, and wheels and tires. Clean California title in-hand.
