Step into the future of driving with the exquisite 2021 Nissan LEAF SV, a beacon of innovation and sustainability that doesn't compromise on style or performance. With a mere 13,612 miles on the odometer, this all-electric masterpiece is practically brand new and waiting for you to write its next chapter.

The sleek black exterior of this Nissan LEAF SV is a statement of sophistication, complemented by stylish chrome door handles that catch the sunlight and the eyes of onlookers. As you slide into the cabin, you'll be enveloped by the premium black cloth interior that offers both comfort and class, creating an oasis of calm for your daily commute or weekend adventures.

Underneath the hood lies the heart of this electric wonder: a robust electric engine delivering a spirited 147 horsepower and a substantial 236 ft-lbs of torque. This powertrain is not just about efficiency; it's about the joy of a silent, smooth, and instant acceleration that only an electric vehicle can provide. Coupled with a 1-Speed Direct-Drive Automatic transmission, the Nissan LEAF SV offers a driving experience that's as seamless as it is environmentally friendly.

Forget the hassle of outdated tech, as this LEAF comes loaded with cutting-edge features. The NissanConnect system, with an 8-inch infotainment screen, becomes the nerve center of your driving experience. Stream your favorite tunes through the six-speaker audio system with speed-sensitive volume control, or enjoy the endless entertainment options provided by SiriusXM satellite radio. And with real-time traffic navigation data, you can outsmart traffic jams and arrive at your destination with time to spare.

Stay connected and in control with the wireless data link Bluetooth, hands-free phone capabilities, and smart device app functions that allow you to operate the horn and lights remotely. Voice-operated electronic messaging assistance and smartphone integration with Android Auto ensure you're always in touch while keeping your focus on the road.

Safety and convenience are paramount in the 2021 Nissan LEAF SV. The intuitive NissanConnect app compatibility means that the power to monitor and control various vehicle functions is quite literally in the palm of your hand.

But it's not just about what this vehicle can do—it's about the recognition it's received. Kelley Blue Book has honored the 2021 Nissan LEAF SV with the 5-Year Cost to Own Award for Best Electric Vehicle, a testament to its outstanding value and low operating costs. This accolade reflects the LEAF's commitment to providing you with a cost-effective and eco-conscious driving solution.

Imagine the pride you'll feel cruising down the street in this award-winning, zero-emission vehicle, knowing that you're part of the movement towards a cleaner, greener future. The 2021 Nissan LEAF SV isn't just a car; it's a statement—a statement that you're ahead of the curve, valuing both innovation and responsibility.

Don't let this opportunity to own a piece of the future slip through your fingers. The 2021 Nissan LEAF SV is more than just a car; it's a lifestyle choice that offers unparalleled efficiency, cutting-edge technology, and a driving experience like no other. Come test drive your dream today and electrify your life with the power of Nissan LEAF.
