Embark on an adventure in the iconic and rugged 2004 HUMMER H2, a true testament to strength and durability. With a mere 89,553 miles on the odometer, this pristine white behemoth is a rare find, offering an exceptional blend of power, prestige, and performance that is hard to come by in today's market.

Under the hood lies the heart of this beast, a robust 6.0L NA V8 engine with overhead valves, boasting 16V of pure energy. Paired with a smooth-shifting 4-Speed Automatic transmission, this HUMMER H2 delivers a driving experience that's both exhilarating and reliable. Whether you're cruising the city streets or conquering untamed trails, the power and poise of this vehicle are undeniable.

The exterior of the H2 is a vision in white, a color that not only enhances its imposing stature but also reflects the sunlight to keep the interior cool during those hot summer adventures. The meticulous design is complemented by striking aluminum alloy wheels that are not only stylish but also rugged enough to handle any terrain thrown their way.

The H2 doesn't just impress with its looks and performance; it's also equipped with a plethora of manufacturer options and packages that elevate the driving experience to new heights. The front air conditioning ensures your comfort in any climate, while the rear window defogger and rear wiper maintain clear visibility at all times. The rear privacy glass adds an extra layer of security and seclusion, allowing you to enjoy your journey in peace.

Experience the convenience of power windows and the practicality of black roof rack crossbars, perfect for those who need extra space for gear or luggage. The side mirrors are not only power-adjustable but also feature an auto-dimming function, enhancing visibility and safety

during night drives.

Light the way with front fog lights and exterior entry lights that provide an inviting approach to the vehicle, while the daytime running lights ensure you're seen by others, no matter the weather or time of day. The H2 also comes equipped with skid plate(s), offering protection for the undercarriage when tackling rough terrain.

Stay connected even while off the grid with the OnStar satellite communications system, offering peace of mind with its suite of safety and security services. Meanwhile, the rear audio volume control allows passengers to enjoy their entertainment without interfering with the driver's focus.

This 2004 HUMMER H2 isn't just a vehicle; it's a statement. It's for those who demand presence and capability in one impressive package. It's for the adventurers, the trailblazers, and the connoisseurs of life who refuse to settle for the ordinary. Don't miss this opportunity to own a legend. Come see, feel, and drive the power of the H2 today – your journey awaits.
