Step into the world of luxury and performance with the 2016 Mercedes-Benz GLE GLE 350, a masterpiece of German engineering that embodies sophistication and power in one sleek package. With just 62,441 miles on the odometer, this stunning black beauty is primed and ready to deliver an unparalleled driving experience.

Let's start with the heart of this magnificent machine – the robust 3.5L V6 engine, which boasts an impressive 302 horsepower and 273 ft. lbs. of torque. Paired with a silky-smooth 7-Speed Shiftable Automatic transmission, the GLE 350 offers a driving experience that is both responsive and exhilarating, ensuring that every journey is as enjoyable as the destination.

The exterior of this GLE 350 is a statement of class with its deep black hue that gleams under the sun, a color that not only turns heads but also hints at the vehicle's refined nature. The body is adorned with aluminum roof rails that add both functionality and a touch of elegance, while the power-adjustable side mirrors come with a driver-side auto-dimming feature, ensuring maximum visibility and safety. The LED taillights and daytime running lights not only enhance the vehicle's visibility but also add to its sophisticated aesthetic. A roofline rear spoiler and dual-tip exhaust round out the dynamic exterior, creating a look that is both sporty and luxurious.

Step inside, and you are greeted by a cabin that exudes comfort and luxury, with black leatherette that invites you to sink into opulence. The attention to detail is evident in every stitch, and the quality of materials used is nothing short of what you'd expect from a brand that won the Kelley Blue Book's Brand Image Awards for Most Refined Luxury

Brand.

In terms of technology, the GLE 350 doesn't hold back. With features like Bluetooth wireless data link for hands-free calling, satellite communications through mbrace, and an 8-speaker audio system with speed-sensitive volume control and a Radio Data System, every drive is an opportunity to stay connected and entertained.

The driving experience is further enhanced by the thoughtful placement of exterior entry lights, including puddle lamps, which not only provide convenience but also an extra touch of elegance as you approach your vehicle. The mirror color is matched to the body, ensuring a seamless and stylish profile that speaks volumes of the vehicle's design ethos.

Safety is paramount in this Mercedes-Benz, and the driver-side auto-dimming side mirror adjustments ensure that glare is reduced, providing you with a clear view of your surroundings at all times. The LED lighting technology is not just about aesthetics; it ensures that you're visible to others on the road, day or night.

In summary, the 2016 Mercedes-Benz GLE GLE 350 is more than just a vehicle; it's a statement of style, a sanctuary of comfort, and a symphony of performance. It's a car that doesn't just meet expectations; it surpasses them. Don't miss the opportunity to own a piece of automotive excellence. Come, take the wheel, and let the GLE 350 guide you to your next adventure with grace, power, and prestige.
