Vehicle Description

Unleash the future of driving with the 2020 Nissan LEAF SV, a vehicle that seamlessly blends eco-friendly innovation with stylish sophistication. This impeccable electric car is not just a mode of transportation; it's a statement of your commitment to sustainability without compromising on performance or luxury.

With a modest mileage of just 37,588 miles, this pristine white beauty is ready to embark on countless more journeys with you. The sleek exterior, accentuated by chrome door handles, exudes a modern elegance that turns heads at every corner. Step inside, and you're greeted by an inviting black cloth interior that offers a perfect blend of comfort and durability, ensuring every ride is as pleasurable as the last.

Under the hood lies the heart of this technological marvel: an electric engine that delivers a spirited 147 horsepower and a robust 236 ft-lbs of torque. This powertrain, paired with a 1-Speed Direct-Drive Automatic transmission, promises a smooth and responsive drive, making every commute an exhilarating experience. Say goodbye to the gas pump and hello to a greener tomorrow with the award-winning efficiency of the LEAF, recognized by Kelley Blue Book for its exceptional 5-Year Cost to Own value in the electric vehicle segment.

The 2020 Nissan LEAF SV is not just about driving; it's about experiencing a new level of connectivity and convenience. Equipped with the NissanConnect infotainment system, you have a world of entertainment and information at your fingertips on an impressive 8-inch touchscreen. Enjoy the seamless integration of your smart devices with Android Auto, allowing you to access your apps, music, and contacts effortlessly. Stay informed and entertained with SiriusXM satellite radio, and let the six-speaker audio system with speed-sensitive volume control envelop you in rich, immersive sound.

Navigation is a breeze with the advanced hard drive-based system that provides real-time traffic updates, ensuring you always find the fastest route to your destination. The smart device app compatibility extends further with NissanConnect, offering remote horn and light operation for added convenience and security. Hands-free phone capabilities and voice-operated electronic messaging assistance keep you connected while keeping your focus on the road.

Safety and peace of mind are paramount in the 2020 Nissan LEAF SV. With features designed to assist you in every aspect of driving, from parking to highway cruising, this vehicle ensures you and your passengers are always protected. The intelligent design and engineering of the LEAF make it a reliable companion for both daily commutes and long-distance travels.

In summary, the 2020 Nissan LEAF SV is more than just a car; it's a lifestyle choice that reflects your values and aspirations. With its award-winning efficiency, cutting-edge technology, and stylish design, this vehicle offers an unparalleled driving experience that is as exciting as it is responsible. Don't miss the opportunity to own a piece of the future today. Visit us to test drive this remarkable electric vehicle and feel the thrill of driving the 2020 Nissan LEAF SV. Your journey towards a smarter, more sustainable future begins here!
