With a mere 34,424 miles on the odometer, this pristine white electric vehicle is just waiting to electrify your daily commute and turn heads wherever you go.

****Exhilarating Electric Performance****

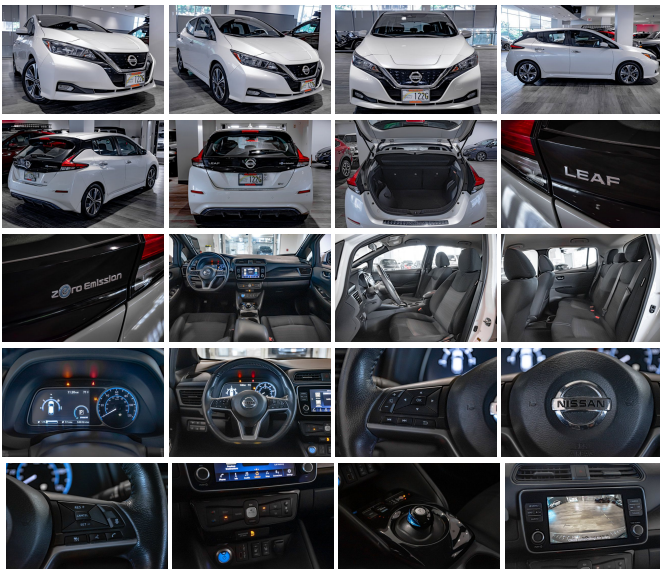

The heart of the Nissan LEAF SV is its robust electric engine, delivering a spirited 147 horsepower and an impressive 236 ft-lbs of instant torque. This translates to a driving experience that's not only whisper-quiet but also thrillingly responsive. The 1-Speed Direct-Drive Automatic transmission ensures smooth acceleration, making every journey feel effortless and enjoyable.

****Elegant Design and Comfort****

As you approach the LEAF SV, the chrome door handles gleam, inviting you into a world of comfort and style. Inside, the black cloth interior beckons you to take a seat and savor the upscale ambiance. The cabin is a sanctuary of tranquility, designed to make both driver and passengers feel at ease while enveloped in the soft, premium materials.

****Cutting-Edge Technology at Your Fingertips****

Technology enthusiasts will revel in the LEAF SV's advanced features. Stay connected with the wireless data link Bluetooth, allowing for safe,

hands-free conversations and audio streaming. The NissanConnect smart device app compatibility means you can interact with your vehicle remotely, operating the horn and lights or checking the charge status with ease.

The hard drive navigation system, complete with real-time traffic data, ensures you're always on the most efficient route. Voice-operated electronic messaging assistance and smartphone integration with Android Auto keep you seamlessly connected to your digital world while on the move.

****Entertainment for Every Journey****

An 8-inch infotainment screen is your gateway to a world of entertainment. With NissanConnect, you have a suite of applications and services at your fingertips. The six-speaker audio system with speed-sensitive volume control provides crystal-clear sound, while SiriusXM satellite radio offers an array of music, news, and sports channels to make every drive more enjoyable.

****Award-Winning Efficiency****

The 2020 Nissan LEAF SV isn't just about style and technology; it's also an award winner. Recognized by Kelley Blue Book with the 5-Year Cost to Own Award for Best Electric Vehicle, the LEAF SV is a testament to its value, efficiency, and low running costs. Owning an electric vehicle has never been more practical or rewarding.

****Your Sustainable Choice****

Choosing the 2020 Nissan LEAF SV means making a positive impact on the environment without sacrificing the joy of driving. With zero emissions, you'll be contributing to a cleaner future while enjoying significant savings on fuel and maintenance.
