Step into a world of efficiency and reliability with our 2004 Honda Civic Hybrid, a true testament to Honda's enduring engineering and design. With a respectable 167,500 miles on the odometer, this gray gem has been meticulously maintained and is ready to offer its next owner the same dependability and fuel economy that has made the Civic a household name.

The exterior of this Civic Hybrid boasts a timeless gray hue, a color that not only exudes sophistication but also does a marvelous job of concealing the day-to-day wear and tear. Complemented by sleek aluminum alloy wheels and a sporty rear spoiler, this vehicle has a presence that is both understated and stylish. Approach lamps illuminate your path, adding a touch of elegance and convenience, while power-adjustable side mirrors ensure you have a clear view of your surroundings.

Slip inside, and you'll be greeted by a serene gray cloth interior that invites you to sit back and enjoy the ride. The front bucket seats cradle you in comfort, while the rear bench seat offers ample space for passengers to relax. The cabin is a haven of functionality, equipped with creature comforts like cruise control for those longer journeys and a multi-function remote for keyless entry, adding a level of sophistication to your daily routine.

The heart of this Civic Hybrid is its 1.3L Hybrid I4 engine, delivering 93 horsepower and 105 ft. lbs. of torque. Mated to a seamless CVT transmission, this powertrain is not only responsive but also incredibly fuel-efficient, ensuring that you spend less time at the pump and more time enjoying the drive. Whether you're navigating city streets or

cruising on the highway, this vehicle offers a harmonious blend of performance and economy.

Honda's commitment to convenience is evident in the thoughtful features throughout the vehicle. Power steering provides effortless maneuverability, while power windows add a touch of modernity. The front air conditioning keeps the cabin cool and comfortable, and the rear window defogger ensures clear visibility in all conditions. With these amenities at your fingertips, every drive is a pleasure.

Safety and practicality are not overlooked, as this Civic Hybrid comes with all the essentials to give you peace of mind. The robust construction and advanced engineering that Honda is known for are built into every inch of this vehicle, providing you with a secure and reliable driving experience.

This 2004 Honda Civic Hybrid is more than just a car; it's a smart choice for the discerning buyer looking for a blend of economy, comfort, and reliability. Don't miss the opportunity to own a vehicle that continues to set the standard for hybrids. Contact us today to schedule a test drive and experience firsthand why the Honda Civic has been a favorite for generations. Your journey towards a more efficient and enjoyable driving experience begins here.
