With a mere 41,460 miles on the odometer, this machine is primed and ready to deliver an exhilarating experience that is both rare and sought after by car enthusiasts around the globe.

****Stunning Aesthetics****

Adorned in a mesmerizing shade of blue, the exterior of this GT-R Track Edition is nothing short of breathtaking. The color captures the car's dynamic nature and turns heads at every corner, ensuring that it makes a statement wherever it roars. Complementing the striking exterior is the luxurious black interior, a sanctuary where comfort meets sportiness, making every drive an event to look forward to.

****Exhilarating Performance****

Under the hood lies the heart of this beast – a 3.8L Twin Turbo V6 engine that pumps out an astonishing 545hp and 463ft. lbs. of torque. This powerplant is the stuff of legends, providing you with the kind of acceleration that pushes you back into your seat and the top-tier performance that the GT-R name is synonymous with. Mated to a 6-Speed Double Clutch transmission, gear shifts are lightning-fast, seamless, and precise, ensuring that you're always in the optimal power band

00000.

****Technologically Advanced****

The 2014 Nissan GT-R Track Edition is a marvel of modern technology. It comes loaded with features that enhance your driving experience and keep you connected to the world. The quad-tip exhaust doesn't just look aggressive – it sings a symphony of power that's music to any gearhead's ears. With the Wireless data link: Bluetooth, your focus remains on the exhilarating drive while staying connected hands-free.

The hard drive-based Navigation system with real-time traffic data ensures that you're always on the most efficient route, avoiding traffic snarls and saving precious time. And when it's time to unwind, the in-built DVD player along with the front video monitor provides entertainment that's just a touch away.

****A Sound Experience Like No Other****

The auditory experience in this GT-R is unparalleled, thanks to the premium Bose sound system. With 11 speakers strategically placed throughout the cabin and 2 subwoofers, you're enveloped in rich, crystal-clear sound whether you're listening to the roar of the engine or your favorite tunes. The hard drive with 9.3GB of storage lets you bring your music collection along for the ride, while the Radio data system and SiriusXM Satellite radio offer endless entertainment options.

****The Ultimate Driving Machine****
