Vehicle Description

AutoPark Dallas is thrilled to offer you this 2010 Chevrolet Camaro SS for sale! It's no secret that we absolutely love modified cars here at AutoPark Dallas - every now and then though, we'll get a car in bone stock, just as it was intended from the manufacturer to enjoy, and there's no denying the magic behind that pure driving experience! This 2010 Camaro SS is the prime example, having covered only **54k miles** over its lifetime thus far, and plenty of more driving enjoyment to provide for its next proud owner! This Camaro SS is of course bone stock, and was clearly babied by its previous owners. From the factory the **RS Package** was optioned providing those **HID Headlights** and **20" Polished Aluminum Wheels**, among other equipment. If you've been searching for that perfect car to enjoy unmodified, OR looking for the perfect Camaro to start your own build on from scratch with a strong base, look no further! DO! NOT! HESITATE!!!
