Vehicle Description

AutoPark Dallas is thrilled to offer you this CAMMED 2018 Chevrolet Camaro ZL1 for sale! The Camaro has long been a staple in the American muscle car community, but no previous standard production Camaro model has quite accomplished what the ZL1 has during the entire tenure of the run. With good reason it is revered as the range topping Camaro, flaunting **650 horsepower** (bone stock) from its **LT4 6.2L Supercharged V8 Engine**. Equipped with the **6-Speed Manual Transmission** it becomes quite the exhilarating driving experience, driving all that power through the rear wheels. Of course as with most Chevy products, there's plenty of room for improvement and performance gains - this ZL1 has seen some of those benefits with a **Mild Cam** along with a **Rotofab Cold Air Intake**. The **Hurst Short Throw Shifter** accomplishes the tightly executed shifts most enthusiasts are seeking out of such a high performance monster. From an appearance, this Camaro shows a beautiful **Matte Gray Full Vehicle Wrap** with **Summit White** paint underneath, and this wrap is perfectly accented by a **Full Carbon Fiber ZL1 Hood**. Needless to say, with range topping performance, plus some mild modifications to responsibly gain additional power, this Camaro ZL1 won't stick around long - don't miss your opportunity! DO! NOT! HESITATE!!! To swing by and check out this Camaro ZL1 that we have parked here in our indoor 16,000 Sq Ft Showroom located in Dallas, Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!
