Vehicle Description

AutoPark Dallas is thrilled to offer you this 2020 Subaru WRX for sale! The Subaru WRX has been a JDM icon for the longest time, and of course as with any JDM car, modifications are limitless. Some focus on performance, others leave them stock, and even others work towards creating a stanced appearance that sets apart from the crowd. This beautiful **World Rally Blue** example takes the latter route and comes equipped with a full **Airlift Performance Air Suspension**, created a custom ride height for all four corners at the push of a button. It can go from normal ride height to a dropped stance in seconds, perfect for that unique stance and car shows. Other modifications include a **Likewise Custom Shifter** as well as a **Carbon Fiber Handbrake**, perfectly complimenting the already fantastic OEM interior. From the factory this model came equipped with the desirable **STI Short Throw Shifter** as well, along with **Homelink** - boasting a **Clean Carfax** with only **ONE OWNER**, this is one well cared for WRX. DO! NOT! HESITATE!!! To swing by and check out this 2020 Subaru WRX that we have parked here in our indoor 16,000 Sq Ft Showroom located in Dallas, Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!
