Reviews:

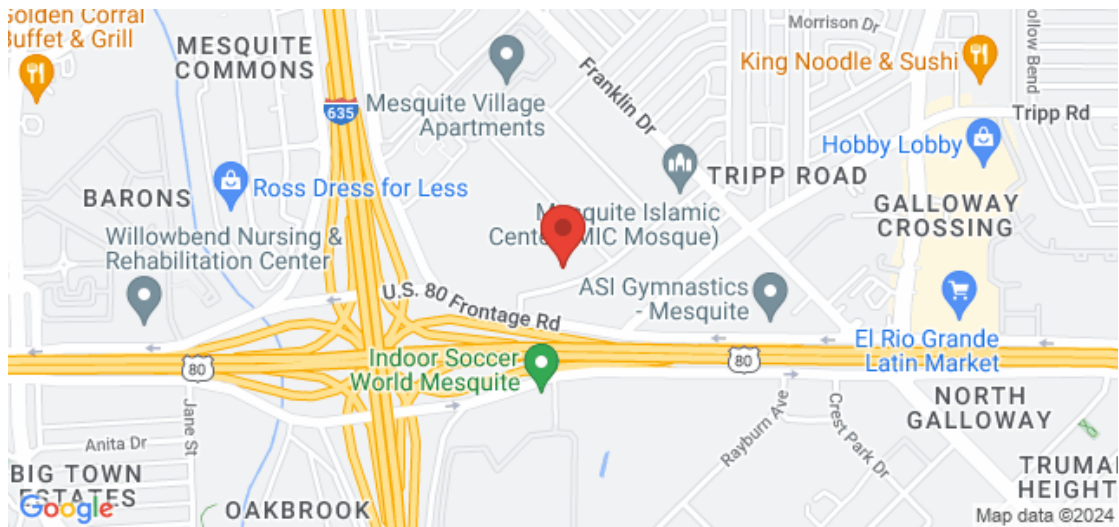

\* If you're a Mini fan willing to trade off a measure of utility for a serious bump in profile and even better dynamics than the Mini Hardtop or just someone with a serious need for a 2-seat sports car that won't bust the average budget the new Cooper Coupe could well find a place in your garage. \* Sharp handling; distinctive exterior styling; great fuel economy; highly customizable; all the fun you normally get from a Mini Cooper now available in a two-seater. Source: Edmunds
